CARTE POSTALE. POSTKARTE.

By Appointment.

(For Address Only.)

Frankfort, The Eschenheimer Turm is the finest of the old tower gateways of Frankfort now in existence. It is a circular structure erected in 1400—1428 on the site of an earlier square tower, both forming part of the fortifications with which up to 1812 the city was surrounded. Frankfort is one of the most important financial and commercial cities of South Germany.
